

TEN WAYS TO GET GOOD at GUITAR

1. Take it out of its bag as soon as you get home from your lesson.
2. Think of your guitar as your special friend. Play with it!
3. Be proud of each little step you take.
4. Try to make a beautiful sound so that people will love to hear you play.
5. Don't worry if some things seem difficult. They will gradually get easier.
6. Learn the basics: notes, scales, chords; and also important words (like semitone, sharp, flat).
7. Sing as you play.
8. Do it the way your teacher tells you. Don't argue and don't make a fuss!
9. Keep your left hand fingernails short.
10. Try to play with your guitar for **at least** ten minutes a day.
