

Guitar Lessons at Skegness Grammar School

Payment Choices

Rather than a specific number of lessons per term, prices are now based upon the number of hours of tuition. This allows for greater flexibility in terms of timetabling. There are now three options – as shown below.

Option 1 (budget)	Option 2 (standard)	Option 3 (premium)
<i>At least 3 hours of tuition per term - shared lessons</i>	<i>At least 4 hours tuition per term - shared / individual lessons</i>	<i>At least 5 hours tuition per term - individual lessons</i>
Full price £80.00	Full price £110.00	Full price £140.00
Discount price £60.00	Discount price £90.00	Discount price £120.00

Please note the word “term” refers to one of the three traditional terms (Autumn, Spring and Summer). Although most terms are at least ten weeks long, it's not necessarily the case that all pupils will have a lesson every week.

The discount price is available only to those who pay for the whole of each term by the following dates:

Spring term: November 30th.

Summer term: March 15th.

Autumn term: July 15th.

The discount is paid as a £20 cash refund, providing I have received the full fee on time.
